- Figma
- Canva
- Adobe Photoshop

Civil Engineering Software

- AutoCAD
- Revit Structure
- ETABS
- SAFE
- Autodesk Robot Structural Analysis

PROFESSIONAL SUMMARY

Civil Engineer and Web Developer with experience in construction project coordination and modern web application development. Skilled in building responsive and user-friendly web applications using HTML, CSS, JavaScript, React.js, Vue.js, and Next.js. Experienced in developing practical digital solutions, business systems, and responsive interfaces with strong attention to usability, clean design, and problem-solving.

PROJECTS

SOBWL Travel Agency Website

Technologies: Next.js, Tailwind CSS, JavaScript

- Developed a modern and responsive travel agency website using Next.js and Tailwind CSS
- Designed multilingual user interfaces with clean and professional layouts
- Optimized website performance and responsiveness across devices
- Applied modern UI/UX principles for tourism and travel services
- Structured reusable components and scalable frontend architecture

EDUCATION

Refractory Academy – Uganda

Certificate in Software Engineering with JavaScript

Nov 2025 – Mar 2026

Al-Zaiem Al-Azhari University – Sudan

Bachelor of Civil Engineering

Oct 2010 – Dec 2015

PROFESSIONAL EXPERIENCE

Web Developer | Freelance

Aug 2022 – Present

- Design and develop responsive websites and web applications using modern technologies
- Build clean and user-friendly interfaces with focus on performance and usability
- Develop and deploy projects using React.js, Vue.js, Next.js, and JavaScript
- Collaborate with clients to deliver digital solutions and branding materials

Civil Engineer – Site Engineer Audit Bureau Consultancy

Nov 2019 – Jul 2022

- Coordinated construction activities, technical documentation, and project execution
- Managed quality control, reporting, and stakeholder communication
- Supported planning and site supervision activities

Civil Engineer – Site Engineer

Jan 2016 – Sep 2019

Eng. Abdalmajeed Abbas Construction

Supervised site work execution and monitored

LANGUAGES

- Arabic – Native
- English – Professional Working Proficiency

ACHIEVEMENTS & COURSES

- Certificate in Software Engineering with JavaScript – Refractory Academy
- Continuous learning in modern web technologies and cloud platforms

REFERENCES
